Next Calendar

The calendar is for an Initiative Project which successfully became the winner of HP Award in Special Edition Category. The project was supported by Bintang Sempurna, the biggest digital printing in Jakarta. We created a calendar with outer space theme that is useful and fun to look at, filled with humors and facts about outer space.

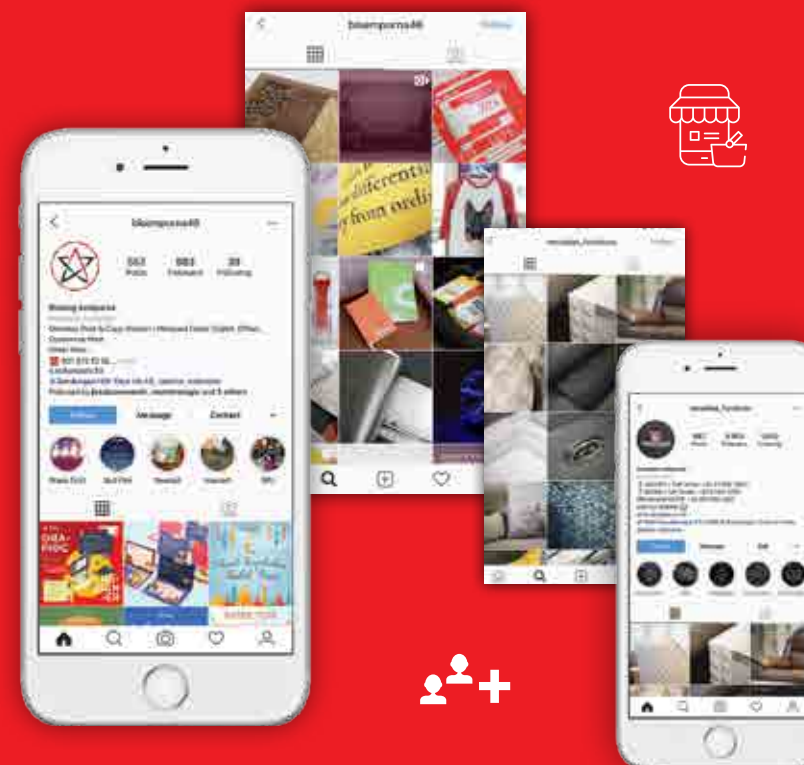

SOCIAL MEDIA ACTIVATION

As a leading printing company in Jakarta, Bintang Sempurna's social media contents are mostly their printing technologies result. But unlike the others, we also suggest Bintang Sempurna to help educate their followers with terms or techniques in working on their design.

Versailles is a modern and high-end furniture store located in Jakarta and Medan. Their products always focus on the great craftsmanship details. The social media help to get the trust of audience of their product's quality.

PACKAGING

Pucelle Mist Cologne

Pucelle Mist Cologne was launched in 2003. Pucelle is a cologne for 15 to 19 years old teenage girls. The product itself growing rapidly since then as the biggest share in female fragrance category. Pucelle Mist Cologne has never really change their look spesifically since they first launch. This appears to affect Pucelle popularity in the market.

PACKAGING

Tivona Eau de Parfume

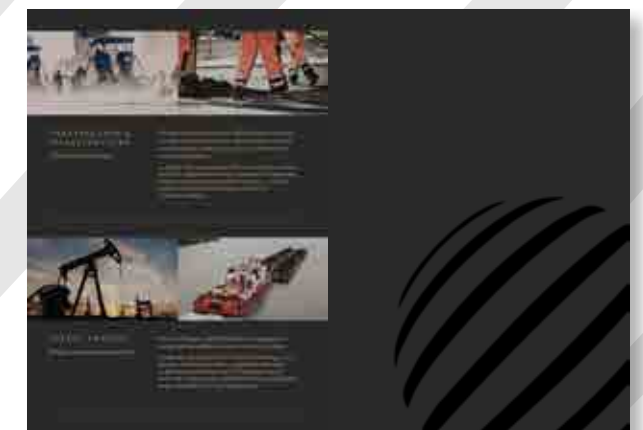

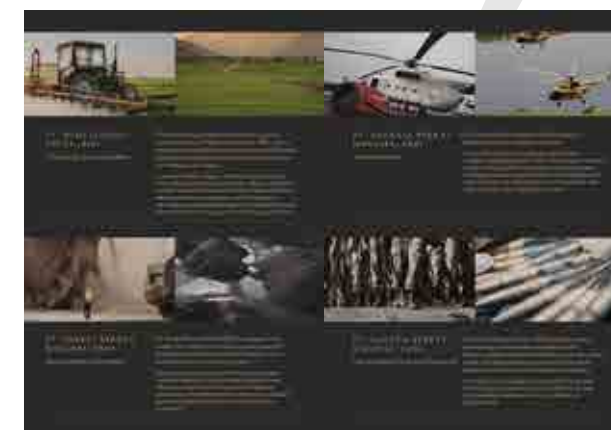

Tivona Eau de Parfume comes in 3 totally different fragrance for 3 different personalities. Johnny Art for men with all matte black finishing to show the masculine and sporty motion. Jean Adilla designed for her with a glance of luxury and elegance. And last but not least The One Girl with sweet but mature look and feel.

COMPANY PROFILE

BBM Holdings

We designed BBM Holdings company profile and website following their vision and values. The design want to give a professional and internationally trusted company feels. The black and brown-ish gold says it all.

JACQUARD WEBBING MACHINE

COMPANY PROFILE

PT Pelangi Elasindo

The design of the Company Profile was made to suit the company's true self. Through the Company Profile, we show the company's dedication in working to produce the best products. The goal is to build the reader's trust towards the company.

ANNUAL REPORT

Smartfren

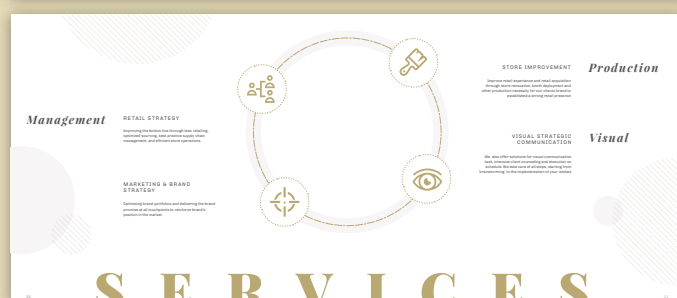

Smartfren wanted to feature 'Unifying' in their annual report, thus creating the title "Unifying Indonesia". Great Annual Report has to be conceptual. Therefore, we maintained the design's style and tone from cover to the last page.

COMPANY PROFILE

PT Ardagia Jaya Sentosa

The Company Profile was designed to appear sophisticated as requested. We chose a simple and modern style for the Company Profile without looking too rigid, yet professional to make the Company Profile suitable for the company.

ANNUAL REPORT

Inti Bangun Sejahtera

The tagline "Soaring Above, Connecting Beyond" inspired the cover which is a globe to represent the tagline better. We avoided using elaborate graphic elements in order to keep the Annual Report simple yet formal.

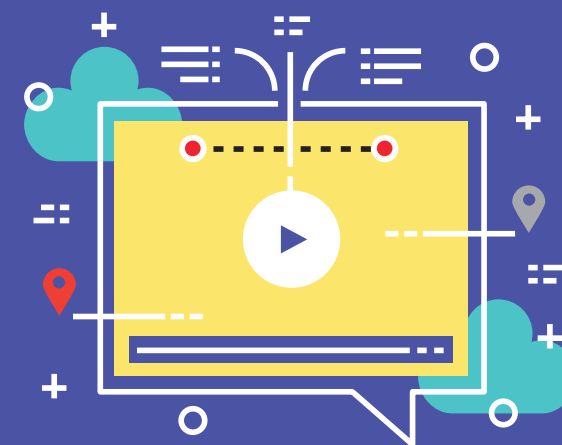

PHOTOGRAPHY

Photos can make or break the marketing of your products/ services and we offer high definition and quality photos by skilled photographer that can elevate your products to a higher level as well as gain more interest from audience.

HP AWARDS 2017

THE BOOK OF JAKARTA

As the capital city of Indonesia, Jakarta becomes a city that is rich in diversity with approximately 9 million citizens. It has also become a center of business and trading in the country that allows us to see many skyscrapers and mobility across the city. Even though Jakarta always seems like a busy and crowded city, but Jakarta is also a pleasant place to explore with an urban touch that you shouldn't miss about.

BLACK & WHITE PHOTOBOOK

"Light is meaningful only in relation to darkness, and truth presupposes error. It is these mingled opposites which people our life, which make it pungent, intoxicating. We only exist in terms of this conflict, in the zone where black and white clash." - Andrea

HP AWARDS 2018

COFFEE, LIFESTYLE, CAPTURE

The Photobook show not only the interior of Starbucks from all over Indonesia but also the photography skills of Mr. Sjaiful Boen. Inspired by his photos, we decided to collect the photos into a journal book. Therefore the content consists of tips and words of Mr. Sjaiful himself.

EIGHT WONDER

In collaboration with Bintang Sempurna for HP Award 2018's submission, our team came up with the idea to make a pocket book about Wonders of The World plus our personal favourite from our own beloved country, which is Borobudur Temple.

THE FOUR BASIC ELEMENTS CARD

The idea is to show 4 basic elements which are fire, air, water, and earth. This card was one of our project for HP Digital Print Excellence Award 2018. We are honoured to get the special recognition on category HP Fluorescent Electroink.
